

# Nepal Mission 2023 -REPORT-

**Team:** Pastor Rusty Russell, Pastor Emmanuel Tchua, and Dennis Nelson DBS.

**Purpose:** To make disciples by building up the local churches in Katmandu, Nepal, through ministry, teaching, and training.

**Agenda:** The first half of the mission will be in Katmandu, conducting a church and youth conference. Then, we traveled remotely to the Hetauda region to speak at a Christian training center and several area churches.

**Summarized** feedback from the Hetauda leadership: “We were able to awaken and release more from the Holy Spirit into His miraculous power. As outside missionaries, the messages were able to teach and anoint the believers into a ministry that the government and culture normally hinder.” Amen!
