

Colombian November 2017 Mission Recap

Sunday Medellin at La Casa Inglesia – David and I were hosted by Pastora Nincy Bejarano Dominguez and family John Jairo, Nelson, and Daniella. Sunday's message was about the need to extend forgiveness to others just as Christ has forgiven us. We prayed for miracles, a man's cataracts and cancer, a woman's lame leg and back, a man's shoulder and arm were all instantly healed. Many more received God's mercy as we prayed for all.

Monday to Centro Alegre - I awoke without my voice and called missionary Rusty for prayer not knowing he was teaching a class in Hong Kong. Through their prayers, my voice was restored enough to whisper and was full enough to speak on Tuesday. Amen! The class decided to pray for our mission and said God was speaking to "Enlarge the place of your tent; Stretch out the curtains of your dwellings, spare not; Lengthen your cords and strengthen your pegs." A word from God was given: "I the Lord declare you shall possess the nations. The desolate cities that the Lord put into your hands will be resettled for the glory of God!" Amen. That morning the team was joined by Pastors: Dario Bejarano Domínguez and Olimpo Gilma Bejarano Perea.

The ten were comprised of two mother-daughters, two father-son teams, and two more. I believe we were and are still in a special move from God a "Kyrios" moment, a God time. Although, the enemy cast their spells yet these fiery arrows landed at our feet. Amen!

Tuesday Iglesias Centro Alegre - David presented the animated version of Ben Her and the Jesus movies to over 40 children and afterward giving them backpacks with clothing. The local church invited the village of 2,000 to the evening meeting with over 200 adults attending. God's mercies were demonstrated in a mighty way; 30+ salvations,

including three witches forsaking the powers of darkness for the Light of Christ! We prayed for miracles and a deaf ear was opened, two broken pelvises restored, and two people with migraines were all healed. Many more miracles happened during this great outpouring of Holy Spirit. Glory to Dios! Before leaving the next morning we had a special meeting for the church members. One woman came declaring she wanted to be healed and by her faith God answered.

Wednesday Iglesias in Necocli – We held an evangelistic meeting at the cities community center with 45 attending and 20 coming forward professing Christ for the first time. This was a difficult meeting as two witches tried to disrupt God's plan. David was attacked with a sickness and had to leave the service. To overcome we stopped the meeting to worship the Lord and then had the team pray for everyone. Pastor Dario and Nincy led two witches to Christ while ministering liberations. Although, I was weak during the meeting afterward my body succumbed to the illness and over the next 12 hours both David and I were very sick.

Thursday casa in Necocli - The team awoke by taking a morning swim in the Caribbean. The local pastor's three bedrooms one bathroom apartment seemed to expand to accommodate the 10 team members and family of five. We drove 45 minutes to meet one man, Daniel, who four months prior had just started to read the bible. We prayed and He is now in God's Kingdom. Afterward Pastora Nancy decided to pray for David and I while anointing us with the holy oil of gladness and breaking the spells. Over the next 11-hour car ride back to Medellin we both regained our strength and were completely healed before arriving in Medellin.

Friday Medellin at La Casa Inglesia - Lucia brought us around the city and we enjoyed a gondola ride to the top of one of the mountains, 7,100 feet. That evening at church we shared all the great things and how we are co-laborers En Christo as each of us share in the rewards.

Saturday Medellin - David and I were supposed to leave early in the morning but had to take a late red-eye flight instead. We needed to wait 14 hours so Pastora Nancy decided we should see more of Colombia and took us on a 12-hour tour to see all of the cities in the mountains.

Summary - The prayers from the saints were heard and answered. God did more than what we could have known or asked. He opened a window in the heavenlies and poured down His tender loving mercies upon this nation. Over 51 souls were ushered into the kingdom with many healings, liberations, deaf ears opened, the lame walk, and more signs.

For you will spread abroad to the right and to the left, and your offspring will possess the nations and will people the desolate cities.”* (Isaiah 54:2-3) God is giving us this land, the territory, and these peoples.
