

## Colombia Mission March 2014

Dennis Nelson, Rusty Russell, and Nehil Bejarano

**Summary:** (Dennis) This was my third mission to Colombia in the last 13 months and God told me to believe for a 10 fold increase. This was answered in a mighty outpouring of His tender loving mercy through Salvations, Prayers for Healings, Liberations, and Unity. We ministered to over 1,200 people, from 10 different denominations, and visited 6 different churches. (Rusty) This whole city of Medellin which has suffered much violence in recent years and is still heavily influenced by witchcraft and random violence has begun to witness Jesus' light as He is pouring out His Spirit through the unity of His Churches. A few days ago Pastora Nincy Mary Bejarano Dominguez ,

Apostle Olimpo Bejarano, and Pastor Nehil Bejarano hosted pastors and apostles from 10 different denominations and God broke down the walls of division and birthed a new spirit of Unity amongst them all. Dennis and I were there to help bring a revelation of their need and opportunity, but the Colombian leaders rose up to pray and call themselves to Unity. Wounds and rejections were forgiven and healed. Many American missionaries from the past have brought abuses, but I stepped out in faith to ask for repentance for my fellow Missionaries who failed and all present began to trust again and believe that Jesus could bring Unity. We are expecting to have greater results in the coming year. Again, thanks for praying! (Nehil) Grateful to Rusty Russell & Dennis Nelson for serving people what they have received from God. It's truly amazing to see what God does when His people allow God to take control. Praise God!

**A THANK YOU:** From Pastora Olga Maria Agudelo Betancur God add ~80 new believers to the church. *"Thanks Dr. Dennis Nelson Rusty Russell by his visit to Medellin and our friends Church Granzal of Jesus Christ already empesamos a work of consolidation with the people who attended and sectional Jesus into your heart as your Lord and Savior that our good God bless you greatly their lives and their families and them every day more of his saviduria and his Holy Spirit hope to have them in our Church."* (Dennis) I explained to the Pastors that most of the work accomplished in Medellin was done prior to the mission. It was through the joint prayers of the Saints in Medellin, Rusty's, Nehil's, the prayer teams in the USA, and the World.

## We THANK YOU!!! In Jesus' Name (Gracias Jesús - Gloria a dios)

### Day by Day RECAP

**Friday 14th:** Pastor Nehil and I had safe travel with no difficulties...but Prophet Rusty Russell faced many disruptions...his first plane out of Jacksonville the wings iced up and was delayed several hours causing him to miss the next connection...on route to the Houston airport the plane ran out of gas and had to land and refuel...he then had to rebook again...on the next plane to Colombia the pilot was delayed causing another missed connection in Bogata...so instead of arriving in Medellin at 5:30pm he landed to a new day at 12:20am (ice in Jacksonville! plane runs out of gas!! pilot is delayed!!!)...we believed these were not by chance but deliberate ruses from the enemy to stop this mission...this became more evident through God's great outpouring in the rest of the weeks' meetings...

**Saturday 15th:** Prophet Rusty prayed for the host pastors, wives, and children of La Casa Inglesia...imparting words of encouragement and confirmation into their hearts...we then took a walk about town and ran into a pastor who is a relative and was very discouraged...he was from out of town looking for support to start a theological training school, because the local seminary supported from America had closed...after sharing his needs with Pastor Nehil (in Spanish)...Prophet Rusty (who understands no Spanish) told him all he had shared to Nehil and that God has chosen him for a mission to start a seminary and that God would open all the doors...all that had been said in Spanish had been revealed to Rusty through God's Spirit...this Pastor asked Nehil if Rusty knew any Spanish...he said no...it was a comforting confirmation to this man needing God's encouragement. **Wedding Night at Ranchero in Mountains**...This was a new experience for me (Dennis)...we were invited to a Colombian wedding at 6pm...but the bride did not appear until after 8:30...the room was filled with great anticipation...I needed to remember I was now on

Colombian time!...Pastor Nehil was only told 60 minutes prior to the ceremony that the Bride and Groom wanted him to give the wedding message...so without much time he pulled together a message about how Christians are to prepare themselves for the marriage of the Lamb...as Christians we are the the Bride and Jesus is our Groom...before the conclusion the anointing upon Pastor Nehil moved him to ask the attendees if they would like to walk as this young couple...the result 12 family members made decisions to follow Deigo's and Johana's Godly walk by making a new covenant in Christ...what a testament to the couple's faith in God...In reflection Jesus began His ministry at a wedding feast and the number 12 represents perfect government and we were beginning our mission in Medellin...later this evening, I received a report from one of the church leaders who was given a 8 copies of a bible study left from the previous trip...she had used it to disciple 9 people and was has now expanded to teaching 30 more...what great multiplication...I had brought some but now wish I had more...

**Sunday 16th:** (Dennis) Today we began with prayer and partaking of communion. We asked God for the unity in His Spirit...we realized this begins when we ask for His heart of compassion for the lost sheep. **Evening Meeting**...The house church chapel has been newly renovated to increase capacity from 80 to 120 and it still was over filled for this special Sunday evening meeting. About 50 people came forward when Prophet Rusty called for those who needed to live 100% for Christ. Afterward, God came in mightily and powerfully out pouring of the Holy Spirit. Many were healed of deaf ears, neck problems, spinal misalignment, lumps in the breast, and more. I (Dennis) prayed (though I did not say anything) for a young boy who could not hear in either ear...the mother had said he had a thyroid problem...so when I put my hands on his ears to pray for him I did not say anything...the power of the Holy Spirit was so strong that the boy began to shake and I felt God's healing anointing flow into the boy...this was God's way to heal the boy...allowing the Holy Spirit to do the work...and then I said "*in Jesus's name*"...removed my hands and began to snap my

fingers by his ears...immediately he could hear in both ears...AMEN JESUS...On a little sadder note, a family of 7 came for prayer about many terrible things that had happened to them...four of their family members had been murdered by the Banditos in the jungle, they were chased out of their home, and off of their land...I shared Psalm 116..."*Precious in the sight of the Lord is the Death of His Godly ones!*" and then talked about how Job and King David experienced many of the same hardships and yet they choose to praise God in spite of their own tragedies...all the family indicated they they would declare and praise God...I prayed for them individually that God would heal their broken hearts...God, our Comforter, came upon them and began a healing process...AMEN! (This was first of many prayers like this...repeated again and again for those with broken hearts.)

**Monday 17th:** Pastor Dario and I (Dennis) visited a family needing prayers of protection from evil and cleansing of the home. God confirmed the thoughts of the Mother and Dad. That evening was a **special leaders meeting** at the church...I (Dennis) taught on communion. Rusty spoke on hearing the voice of God. Pastor Dario came to me (Dennis) and said that God was going to give me more authority to do His ministry. I believe that this was fulfilled.

**Tuesday 18th:** God told me (Dennis) that I need to fast the next day...Pastors Nehil and Dario joined for a day of fasting and prayer...we did not know all God would do but were expecting great things...(Rusty) Witchcraft is real here, we have found believers are still tremendously bound by witch's curses, especially when dealing with sexuality, immorality, fornication, and adultery...This believer xxxx, received prayers for breaking soul ties from boy the friend. God is raising them up as leaders but they needed liberation. The boy friend and her had prayed from 3 - 5 am that day and at the end a spirit told xxxx, "*I have to find another body, you are becoming too holy.*" Through prophetic counseling - prophesying, word of knowledge, and discerning of spirits this evil met its departure...Then filled to overflowing the wonder of Jesus' love is seen on her face! PTL!...(Evening at the Church of Granola) HIGH IN THE MOUNTAIN OVERLOOKING MEDELLIN, THE CAR COULD GO NO FATHER... WE CLIMBED THE LAST STREET AT ALMOST A VERTICAL ANGLE... But We could hear the music playing and people singing as we rounded the corner...A crowd of people gathered at this dead end street, the little church could only hold it's 40 members but outside 160 and more were gathering... As many were singing the children were dancing with tambourines and their faces were lit with joy! Dr. Dennis rose to give a message of Jesus at the well...Then he said, "I would like my Mentor to come and share more and he gave it to me...Pastor Nehil Bejarno translated and I gave a stirring message of the cross of Jesus, his life, miracles, sacrifice, resurrection, and their need to receive Jesus forgiveness! I PROCLAIMED JESUS IS HERE TO SAVE AND

BRING MIRACLES! At the alter call 80 came forward to receive Jesus! God TRIPLED THE SIZE OF THEIR CHURCH IN ONE NIGHT! Glory to Jesus! Then over 100 came in answer to the

words of knowledge for a miracle or healing. Pastor Nehil said, "In my Country, Colombia, over the years I have seen TL Osborn, and other great men of God, but TONIGHT I HAVE WITNESSED MORE DYNAMIC POWER AND MIRACLES AND HEALING! THANK YOU PROPHET RUSTY!" Over 5 people with deaf ears healed, one lady walks out of wheelchair, 2 year old boy never could stand or walk, stood and walked! Heart, blood disorders, colon, lungs and many more types healed! More eyes came open, demons left, curses broken! The street filled with people hungry to know

Jesus, many received prophesies, yokes were broken, forgiveness released their heavy hearts and joy replaced it! Glory! Did you pray for us? Thank you! God answered your prayers! With AWESOME MIRACLES!

**Wednesday 19th:** We had a morning meeting and lunch with over 50 pastors representing 10 different denomination...our goal was to now to encourage them...but minutes before I (Dennis) was to teach on spiritual authority within one's home and church God told me there was a spirit of rejection within the group and it was holding back the unity and trust God wanted for them...(Rusty) Amen! God RELEASED HIS FIRE AND ANOINTING WITH A DOUBLE EDGED SWORD! THE LEADERS PRAYED FOR THEIR OWN COUNTRY AN RELEASE FROM REJECTION AND FEAR led by Dr. [Dennis Nelson](#), and we released THE ANOINTING AND FIRE AND STIRRING THEIR GIFTS FOR GREATER USE, GLORIA A DIOUS!...In the afternoon we visited a home that had gathered together friends and family needing a special touch from God...**Night @ host church** I (Dennis) God prayed for a woman

who was a practicing witch...after taking authority over the evil for she could not open her eyes nor talk...(Rusty) She could not stand under the POWER RELEASED THROUGH US, when Dennis broke the power of darkness and the ruling deceiving spirits in her she collapsed to the floor, coming up she realizes Jesus will help her overcome all things. (Dennis) God liberated her from this control and she proclaimed Jesus as her new Lord by asking Jesus into her heart...a lot of spiritual bondages had to be broken through prayer and God has heard the prayers of those who joined US...AMEN...(Dennis reported) Rusty is developing a burden for the Colombians...will you (Pastor Mike) come for a week and travel with him if I cannot...Rusty is thinking...JUNE...Papa Olimpo

wants US back...for a three city tour...Medellin...Turbo...and Quibdo (Pacific coast)...yesterday there was a great breakthrough in the local denominations...Apostle Olimpo's previous denomination...and 9 more Christian faiths were represented...I feel like I am in an advanced theological training program with Rusty...He is teaching how to move in God's anointing to all the leaders...

**Thursday 20th:** (Rusty) Morning prayer meeting at the home of a family...JEHOVAH-JIREH IS THE NAME OF OUR BUSINESS, PLEASE PRAY A BLESSING OVER OUR BUSINESS SO

WE CAN BE A BLESSING TO MANY! Gracious Señor GOD LOVES AND HAS SPECIAL BENEFITS WHEN WE TRUST HIM... WE PRAYED FOR HEALING FROM DEAFNESS, JULIETTE SHE TOOK OUT HER HEARING AIDS AND JESUS RESTORED HER EARS!" 'Gloria, Gloria, Dios, Hesus!' I could hear you whisper 10 meters away from me." Also on of the sisters eyesight healed and she described what she could now see! Gloria! (Dennis) In the afternoon we did a drive about...cherry cheese cake...best I (Dennis and Nehil) had ever had...**Evening at the Church of Milagrosa**...(Rusty) Glory A Dios!! Dr. [Dennis Nelson](#) shared his testimony and 25 came forward to receive Jesus! I (Rusty) took

over after that teaching about THE WILL OF GOD -THY KINGDOM COME ON EARTH AS IT IS IN HEAVEN, the 7 Let's and 9 parts of His Will, then prophesied and several more came into the Kingdom, cast out spirits of suicide breaking the fortune tellers and witches words off of them and although they were weeping these former sinners while Jesus ushered them into His kingdom! Tears flowed and others revived as salvation on the way to heaven's call! As Rusty gave out many words of knowledge many came forward and we prayed, breaking more witches curses, casting out many demons, prayed and weak eyes opened, 5 with deaf ears opened! 60 ++ miracles took place! The anointing was awesome!!!! Thanks for prayers!

**Friday 21st:** In the morning we prayed for a man with terminal cancer, he was the last of 14 children and had been rejected by them all including both of his parents...this reminded me of the Samaritan woman whose ethnicity and sin were rejected by all...this man needed to hear about God's mercy, grace, and love...he had to leave town that day so we have not heard about his complete healing yet...but I believe...We had to run Pastor Nehil to the airport for his return to the USA...and decided to take another drive about with Apostle Olimpo and Pastors Nincy and Dario, we saw coffee plantations and some of the flower growers (this area of Medellin supplies 90% of all the cut flowers in the USA). I (Dennis) taught on praying for those with a wounded and sick heart. Peter instructed us in Acts 3:19 "Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord." That in order for us to be restored to God we must first be reconciled to Him. This is done through prayers of forgiveness of others and our own repentance of sin. (Rusty) A SPECIAL GUESTS JOINED US VIA FACETIME...DR. Hank and [Grace Russell](#) They greeted the crowd and everyone enjoyed their conversation with him, and they blessed all of the people present. It is so great to be able to have my 92 year old father and mother on the mission trip with me to Columbia, God is good all the time. I was supposed to go to Rep. of Panama first, but was detoured so Colombia became my 58th Nation. Interestingly enough the number 5 stands for Grace and 8 stands for Resurrection and New Beginnings. Our time here has thus far has been awesome; we have shared, taught, prayed and released mighty miracles! I have enjoyed my company with my friend Dr. Dennis and the mighty men and women of God serving Jesus here in Medellin. God has accomplished many things. We had great fellowship as we sent off our interpreter and friend Pastor Nehil who leads a bilingual church in St. Paul, Minnesota and is

also part of the family leadership overseeing the many churches here. We then took a tour of some of the sights before heading back to hold a meeting. We taught the Saints how to begin to pray for the sick with results! One man testified, "I had loss of sight in one eye and Doris prayed for me and I am healed." One sister said, "As Jackson prayed for me all the tingling left my hands, I am healed." Dennis lead a sister in healing a woman's back because her left foot was 1 inch short than the right. GLORY!

**Saturday 22nd:** We were the guest speakers at a church's day of prayer and fasting...(Rusty) AFTER TWO TEACHINGS IN SAME MEETING, I LED THEM IN A TIME OF PRAYER, PASTOR DARIO BEJARANO TOOK OVER FROM MY TRANSLATOR, HE CARRIES A POWERFUL ANOINTING, AND IS HIGHLY RESPECTED BY OTHER PASTORS, AND HEAVEN MET WITH US ALL, AS SOME WERE ON THEIR FACES BEFORE JESUS!!!...(Dennis) we were led by Rusty to ask the Lord Jesus to come and to show himself to us...I did not get to see Jesus but He did show me a vision of many people's faces, one after another like a slide show...I believe this was Jesus showing me His heart's desire for all to come to the knowledge of Him...a little later a boy named Santiago came for prayer (this was one of the face I had seen earlier)...**Apostle (Papa) Olimpo** shared his heart and the three main purposes for all the churches...Salvation for all (Common People, Professionals, Government Officials, University, and Business Owners)...Service to the communities (Medical teams and ministries of helps)...and Unity with other churches (local and throughout all of Colombia)...**Evening meet and greet** at host church...there were at least 2 Salvations from praying with people after meet and greet of people interested in the church...it was interesting that people were singing and dancing unto the Lord while getting served drinks and chocolate cake.

**Sunday 23rd:** We had a special invite to speak at the InterAmericana Church (Rusty) AN AWESOME MOVE OF THE HOLY SPIRIT THIS MORNING!!!! THANKS FOR PRAYERS! The InterAmericana De Robledo Church led by a wonderful Colombian Apostle Julio Cesar was packed with over 200 people with seating even in the Basketball courtyard. Excitement filled the air as worship rose to Jesus from all singing to their Colombian style of music. Dr. Dennis Nelson and I were introduced and we were both awarded Victorious Medals and honored as Ambassadors to Colombia. Dennis shared how he heard God's Voice calling him to salvation and then asked is God calling any of you to salvation? Twenty hands were raised and they came forward to pray and accept Jesus. I was passed the mic and shared about God's Power to heal through Jesus sacrifice and resurrection with a few examples. But before we prayed Pastora Nincy Bajareno Dominguez who is part of our Colombian Ministry team and Pastor Dario Ganni Bajareno from our host church LaCasa Inglesia came forward delivering two powerful prophetic words directed at two people who later became believers in Jesus too. We all worked as a team prophesying and praying for over 100 people who responded to words of knowledge for healing. I led them all in a prayer to receive

their miracle and twenty five were instantly healed! I called forward 10 people who were deaf in one ear, deaf in both ears or those who were partially deaf and wore hearing aids. As we laid hands on them commanding the deaf spirits to leave, or just asking the Holy Spirit to come glorify Jesus, each one testified they could hear as we tested them! Gloria A Dios! When those present saw each one instantly receive their miracle many rushed forward in greater expectation to receive prayers for healing and possibly receive a miracle! Sunday Evening a special service...The **Church of Santander** was higher up in the mountains in a very dangerous high crime area, we went to a new church plant; though danger was all

around, these bold saints let the music and preaching fulfill the neighborhood with God's message...seven more were added to the kingdom of Jesus!

*Glory A Dios*

*Gracious Senor*
